Dr. Alice Rothchild, author, filmmaker, and physician, is focused on human rights and social justice. She has made many trips to Israel, the West Bank and Gaza, most recently in August 2023. She's a member of Jewish Voice for Peace Health Advisory Council, the mentor liaison for "We Are Not Numbers" and on the board of the Gaza Mental Health Foundation. Contact Dr. Rothchild at www.alicerothchild.com or alicerothchildbooks.com. Also check out jvphealth.org and wearenotnumbers.org

Co-sponsors: Bay Ridge Peace Action, Peace Action New York State, New York City War Resisters League, Tree of Life Educational Fund, United for Peace and Justice, and World Can't Wait.

Dr. Rothchild addresses these crucial questions:

- What was the state of health care in Gaza before the October assault? What is the impact on civilians of the massive bombing and dislocation of Gaza?
- What is International Human Rights law, and has it been violated?
- Have war crimes been committed?
- Has the war reached the level of genocide?
- What can we do?
