

From The Merchants of Death War Crimes Tribunal

The new video evidentiary episode of the Merchants of Death War Crimes Tribunal continues the investigation of the U.S. war on Afghanistan as the Tribunal interviews Doug Hostetter, who traveled to Afghanistan immediately after 9/11 taking with him thousands of pounds of food for Afghan families he knew would be caught in the center of a vicious war on civilians. Doug's is a fascinating story of how one American responded to the war on Afghanistan.
