

This TV spot is the latest in a series of commercials created by Knowdrones.com in collaboration with Cres Vellucci, of Veterans for Peace, Chapter 87. The commercials are being broadcast in prime and near prime time on MSNBC, CNN, FOX and other cable channels in communities hosting U.S. drone bases in an effort to appeal directly to drone operators in the U.S. Air Force, Air National Guard, Central Intelligence Agency and those working for private contractors, to not cooperate with or participate in drone killing or targeted bombing by conventional aircraft.
