

On Sunday, April 7, 2013, H. Candace Gorman esq. spoke at the Third National Conference of Historians Against the War called "[The New Faces of War](#)," which was held at Towson University. Gorman participated on a panel called "Indefinite Detention and War Against Iran: How Are These Strands of US Foreign Policy Connected?" This video was produced by Stephen Roblin and Spencer Compton.

Like Sisypheus: Defending Men in Guantanamo

Then Ray McGovern, former CIA analyst, spoke.

Attack Iran? Who Dares Quibble?

And then, Thomas Drake, former National Security Administration executive and whistleblower, made his presentation.

Perversion of Power: Perfect Storm
