Note:

"How could [an intelligence] community without a strategic plan tell the president of the United States just four days after 9/11 how to attack the Afghan sanctuary and operate against al-Qa'ida in ninety-two countries around the world?¹"

"They're setting me up. The bastards are setting me up, [but] I am not going to take the hit.²"

¹ from *At the Center of the Storm*, by George Tenet

² Possibly apocryphal outburst in Patrick Tyler's book, *A World of Trouble*, about an inebriated Tenet in Prince Bandar's swimming pool in Riyadh, Saudi Arabia. Tenet denies the incident.
